The Rammer Egg Yield.—In response to the call for a better hen record than that given by E. W. R. on page 100 I will give ours. Our eggs have not sold at as high a price, but I can keep "inside the facts" and present a better egg record. We have 48 hens, most of them Buff Orpingtons, and the remainder grade R. I. Reds, and three days during the present winter (January 14, 22 and February 17) they have laid 35 eggs. On many other days they have laid more than 30, while the daily average for the month of January was a fraction more than 28. Our henhouses are not very warm, and have been cleaned only four or five times since the first of October. The fowls have had no meat, cut bones, animal meal nor commercial grit. They have been heavily fed and are very fat. Many of the other pet theories of poultrymen have been thrown to the winds, but the lady of the house is very fond of hen society.—Rural New Yorker.

ANNOUNCEMENTS.

FOR REPRESENTATIVE.

Having been nominated by fellow citizens of Wachula and Punta Gorda as a candidate in the primaries for Representative in the Legislature on a platform declaring for a fair and just division of DeSoto county into three counties, with Arcadia as the county site of the middle county, this card is to announce that I am to solicit votes on that platform, and to pledge myself, if nominated and elected, to use my best efforts to secure division that will prove satisfactory and beneficial as far as possible to all the people of the proposed three counties.

A. P. JORDAN.

As the urgent request of many of my friends, I have consented to enter the race for the office of Representative of DeSoto county in the next Florida Legislature and take this opportunity of soliciting the votes of the citizens of the county in the approaching Democratic primary election. As I will not have the opportunity of seeing and talking with each individual personally, I deem it proper that I should define my position on some of the more important issues of the campaign.

I am opposed to a division of DeSoto county, for the reason that I am opposed to high taxation. I consider it more economical to maintain the present county government than to establish and maintain two additional ones also with the same source of revenue.

I shall favor the repeal of the Drainage Act passed by the legislature of 1925, as an arbitrary, unfair and unjust measure, which, if enforced will become a burden of taxation upon the people of the State.

I am in favor of the educational law known as the "Buckman bill" and will oppose any effort to interfere with the location of the State University at Gainesville.

Having been born and reared within the boundaries of DeSoto county, all my interest being here, if I am honored with the nomination and election, I shall be found working for those measures which I believe to be for the best interest of the State as a whole and DeSoto county in particular.

With honesty of purpose, "equal rights to all and special privilege to none," I solicit the votes of my friends and the people of the county regardless of section or community.

WM. H. HOOKER.

I hereby announce myself a candidate for county commissioner for District No. 4, subject to the action of the Democratic primaries. I promise, if elected, to perform the duties of the office in a strictly impartial manner and for the good of the whole people as I see it.

D. S. WILLIAMS.

To the Voters of DeSoto County:

I hereby announce myself a candidate for County Commissioner for District No. 4, subject to the action of the Democratic primaries and solicit the support of the voters.

Very respectfully,

J. L. LIVINGSTON.
